 - Safe truck transport for Dangerous Goods
 - Cool Reefer transport for fresh perishables
- Efficient combination of various modes of transport
- Tailor-made solutions for each of your cargo requests
- Easy booking of all services via Quick Quotes

Your Benefits

- Enjoy fast and direct communication
- Utilize our maximum service & simplify your transport
- Optimize your administration levels
- Improve your planning & rely on exact timing

Area Turkey – Linking Land and Sea

Our depots

Easy to reach, close to industrial areas, close to you.

Hapag-Lloyd operates 8 Inland depots in Turkey:

Gaziantep (three depots)

Truck/combined rail. Main terminals are **Iskenderun** and **Mersin**.

Kayseri and Konya (one depot in each location)

Main terminal for each location is **Mersin**. Full container positioning can be organized without any storage. Customers enjoy flexibility in Gate-in timing.

Ankara (one depot)

Both truck and rail service options are available for **Ankara** to all connected terminals. Customers have the possibility to connect to the 6 main terminals in Turkey. Ankara is our main transit point.

Denizli (one depot)

Combined rail service to / from **Aliaga** terminal.

Söke (one depot)

Combined rail service to / from **Aliaga** terminal.
