

# Direct and competitive: New service connects Asia and East Africa

The new East Africa Service 3 (EAS3) will offer direct weekly sailings between China, South-East Asia, Kenya and Tanzania with very competitive transit times. It will be launched in late April enabling our customers to enjoy even better connectivity between Asia and East Africa. In addition, the EAS3 will offer excellent connections to Hapag-Lloyd's global network via the hub ports of Singapore, Port Kelang and Shanghai. Seven 2,800 TEU vessels will be deployed in the service, including two provided by Hapag-Lloyd.

## Our Offer

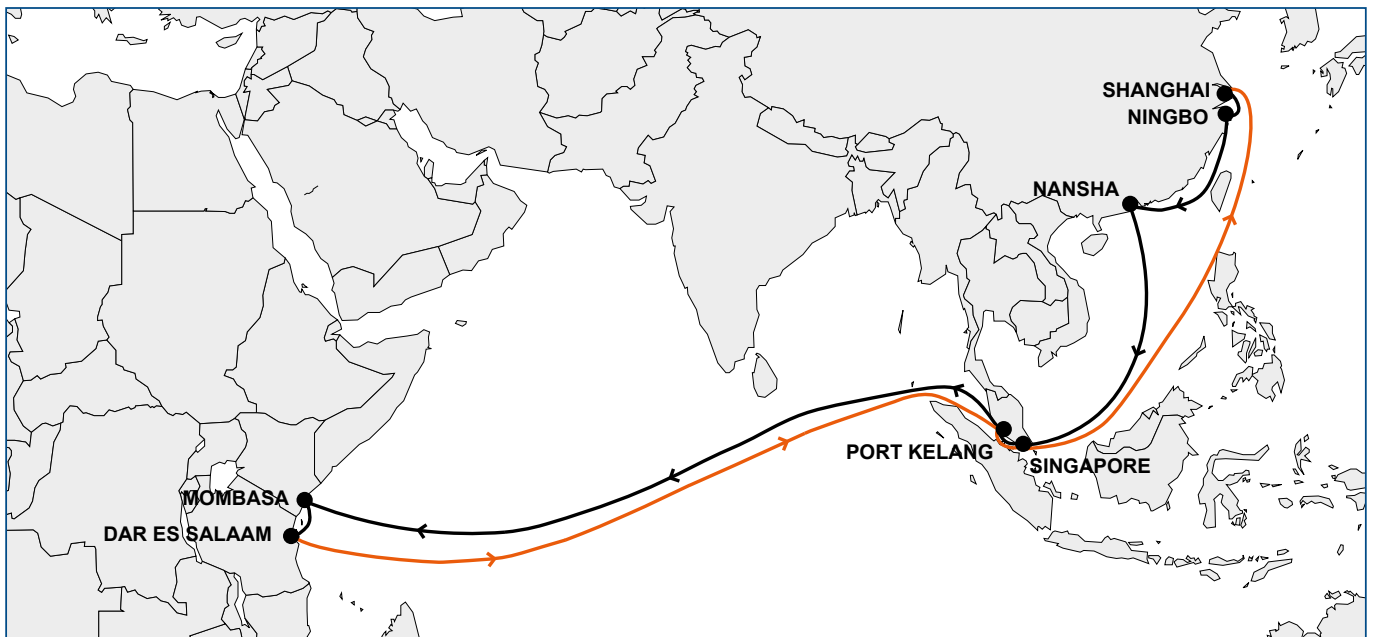

- New weekly direct service connecting Asian Main ports with Kenya (Mombasa) and Tanzania (Dar Es Salaam) both east- and westbound
- Among the fastest lead times from Far East to East Africa
- Weekly and direct Nansha port call added to our East African service portfolio
- A wide range of South East Asian feeder options available through transshipment hubs in Singapore and Port Kelang (Malaysia)
- Excellent **hinterland connection** to/from Burundi (Bujumbura), Rwanda (Kigali), Uganda (Kampala) and Zambia (Lusaka)
- Local expertise with a wide network of Hapag-Lloyd offices
- Hapag-Lloyd's well-known and high-quality customer service

## Your Benefit

- Hapag-Lloyd links your customers, suppliers and production facilities locally and globally
- Fast transit times
  - Shanghai to Mombasa: 22 days
  - Nansha to Mombasa: 18 days
  - Nansha to Dar Es Salaam: 21 days
  - Dar Es Salaam to Port Kelang: 15 days
  - Dar Es Salaam to Shanghai: 25 days
- A comprehensive network of Hapag-Lloyd mainliners and feeders ensures flexible connectivity of your cargo between other ports in Asia via Singapore and Port Kelang (Malaysia)
- Your cargo is in good hands with Hapag-Lloyd's experienced and dedicated staff
- Excellent local customer service representation with our new own Hapag-Lloyd office in Kenya
- Extensive experience in handling special cargo, reefer cargo and dangerous goods
- System supported and globally implemented processes ensure that your cargo is getting the special attention it deserves
