

Hapag-Lloyd Inland **Extended Rail Services in the UK**

Hapag-Lloyd offers a new ramp product for imports via London Gateway and Southampton.

The current market situation within the United Kingdom forces Hapag-Lloyd to focus on an alternative Inland mode to keep our customers' cargo moving. With our rail solution we strive to support you with the best service possible in a challenging market environment.

Our Offer

- New Inland transport solutions via rail
- 8 ramps for import cargo via London Gateway and Southampton
- Numerous rail departures on a daily basis
- Additional support for our Merchant Haulage customers
- Inland service for Dry Cargo

Your Benefits

- Efficient way to move your cargo out of the port closer to its final destination
- Cost advantages for your Inland transport
- Empty restitution at rail ramp free of charge
- 2 days free time at the rail ramp

Easy booking of all services via Quick Quotes

Get your instant, competitive quote for Inland transportation services combined with a sea shipment in just a few clicks [here](#).
