

Hapag-Lloyd Inland Benelux

We are pleased to introduce you to our Inland Delivery Team (IDT). Our paramount focus is on enhancing the efficiency and reliability of our inland operations. We attach great importance to flexibility, direct customer contact and fast problem solving, which enables us to significantly reduce cut-off times and minimise waiting periods.

Our team of professionals takes care of all aspects of the transportation journey and ensures that your cargo arrives at its destination on time – because we understand the significance of a smooth and hassle-free process.

Our Offer

- We connect our deep-sea services to an inland terminal near your premises by multiple sailings per week to / from a wide range of inland CY's
- We provide you with the best intermodal solutions specifically designed to meet your requirements
- As a one stop shop, we organize pick-up and delivery of cargo, reduce delays while ensuring safe and secure transport conditions

Your Benefits

- Increased consistency of your supply chain by reducing irregularities caused by traffic delays
- Convenient end-to-end process with less organizational efforts for you
- Improved transparency through one point of contact for transport process and integrated booking and documentation process
