

Hapag-Lloyd Wilhelmshaven – New Gateway to North Europe

The Jade-Weser-Port Wilhelmshaven is Hapag-Lloyds new gateway to North Europe with fast and reliable services for your supply chains.

With the [updated FE2 service network](#) surrounding the deep-sea port of Wilhelmshaven, Hapag-Lloyd connects Far-East directly with the intermodal logistics network of North Europe. The newly updated set-up at the port itself offers our customers access to our fastest, most economical and reliable hinterland connections, extending your individual supply chain network.

Our rail service network includes Germany, Austria, Switzerland as well as Czech Republic, Slovakia and Hungary and provides efficient, customized transportation at competitive prices.

Our Offer

- Connecting deep-sea services with inland terminals
- Extended transportation services by rail, truck and feeder
- Significant capacity increases in fixed allocations compared to 2022
- Minimized transit times and increased service stability for efficient transportation

Your Benefits

- Import containers accessible up to two days earlier compared to Hamburg
- Favorable import demurrage free time of 7 days
- Favorable terminal handling charge in Wilhelmshaven
- Regular and stable access to Scandinavian as well as Baltic feeder services
- Efficient and economic inland connections for all your Inland hubs including door delivery
- Newly established Inland team combining transport and customer service expertise for faster customer communication and exception handling
- Favorable rates compared to other North European gateways
